

Natural Pathways

SUMMER 2011

Staff Carving Workshop—24th September

Make your own staff, just like Merlin's from the BBC Merlin series...

[Read about Merlin's staff in the upcoming series 4.](#)

A perfect day around the fire creating a walking staff or tracking stave, beautiful, practical.

"I didn't realize how much went in to making a staff!"

[More Details...](#) 10.30am—3pm, Age 10+

Family Bushcraft Day—25th August

The basics of bushcraft for the whole family in just one day. Learn about the four principles of survival and get to grips with building your own survival shelter.

Have you got a Fire God inside? With the fire-lighting lesson you'll learn how to lay and start a fire with natural materials, just like our ancestors.

One for the whole family to enjoy together....

[More Details...](#) 10am—3pm

Kids Mini Survival Adventure—24th September

A perfect combination to the [Staff Making course](#), you carve while the kids get out and

CELEBRATE THE WOODS!!!

Building shelters, cooking bushtucker on the open fire—woodland adventures for your young explorers! What better way to get the kids outdoors this spring!!

[More Details...](#) 10am—1pm, Ages 6—13

Adult Tracking Course—9th-11th September

After this weekend the countryside will never look the same again!

No matter your level of experience you'll learn 15 steps to tracking success with Master Tracker, Geoff McMullan, including how to read, interpret and follow the signs nature leaves behind.

[More Details...](#) 3 days of back to basics

GIFT IDEAS

From [boots](#) and [clothing](#) to [Kelly Kettles](#) and [camp cookware](#), [bushcraft knives](#) and [axes](#), [hammocks](#), [chairs](#), and [tents](#)—and just about anything else your outdoor bushcraft adventurer!

[Check out the Natural Pathways Bushcraft Store](#)

for all your bushcraft kit, [books](#) and more...

CELEBRATE THE WOODS this summer with Natural Pathways
